- 4) Regarding your arrival in Brasília:

The organizers will provide **transportation between the airport and the hotel (located within the same complex where the event is taking place) for both your arrival and your return to the airport.**

Upon disembarking, at the airport exit, **please look for the team holding a sign displaying the event logo and name: CONGRESSO INTERNACIONAL DE DIREITO MINERÁRIO.**

5) Regarding your return:

Juliana Martins, the Speakers' Customer Care Coordinator, will contact you to provide the departure time for your airport transfer (returning from the Brasil 21 Convention Center to the airport).

We recommend **arriving at the airport at least 2 hours prior to domestic flights and 3 hours prior to international flights to allow sufficient time for check-in, baggage drop-off, security screening, and boarding without rushing.**

On your day of departure, please check out of the hotel in the morning. After checking out, you may store your luggage at the event's luggage storage area—located on the first floor near the registration desk—where it will remain available until you depart for the airport.

IMPORTANT INFORMATION

We request that you **report to the Speakers' Room, located on the second floor of the Brasil 21 Convention Center, approximately 40 minutes prior** to the scheduled start time of your panel.

Please check whether you need a visa to enter Brazil based on your country of origin. If required, make sure your visa is valid and take the necessary steps to obtain it in advance.

Also, please make sure to read all the information provided in the vouchers attached to this email.
