

24/08/2026

segunda-feira

15:30

PALCO ÚNICO

Opening Talk Show – Mining and Geopolitics – Part 1

16:20

PALCO ÚNICO

Opening Talk Show – Mining and Geopolitics – Part 2

17:10

PALCO ÚNICO

Keynote Speaker - The New Geopolitics of Minerals

18:00

PALCO ÚNICO

Opening Ceremony of Exposibram

EXPOSIBRAM2026

Mineração do Brasil | Expo & Congresso
Brazilian Mining | Expo & Congress

25/08/2026

terça-feira

10:00

PALCO ÚNICO

Keynote Speaker - The historic opportunities of mining and its legacy in Brazil

10:40

PALCO ÚNICO

Keynote Speaker - Positive Impact: How courageous companies thrive by giving more than they take.

11:15

PALCO ÚNICO

Talk Show - Key trends in the Mineral Commodities Market

12:15

AUDITÓRIO

Lunch Break

14:00

PALCO B

14:00

PALCO D

PANEL - Discussions on the establishment of mineral processing in Brazil

14:00

PALCO A

PANEL - Logistics corridors for mining activity.

14:00

PALCO E

PANEL - Community engagement for social licensing

14:00

PALCO C

PANEL - National Mining Plan 2050 & Basic Framework for Sustainable Brazilian Mining - Implementation and next steps

15:30

AUDITÓRIO

Coffee break

15:50

PALCO B

PANEL - The strategic vision of countries for critical minerals and materials.

15:50

PALCO E

PANEL - What makes a jurisdiction attractive for mining businesses?

15:50

PALCO D

PANEL - Extreme Events: Managing Climate Risks in Mining

15:50

PALCO A

PANEL - Why do we want to be pop so much?

15:50

PALCO C

PANEL - Discussions about Gold in Brazil

17:30

PALCO ÚNICO

Awards:

- Mining Hub Hackathon – Exposibram 2026 Edition
 - MINA Award
-

EXPOSIBRAM2026

Mineração do Brasil | Expo & Congresso
Brazilian Mining | Expo & Congress

26/08/2026

quarta-feira

10:00

PALCO ÚNICO

Keynote Speaker - Brazilian Mining Landscape

10:30

PALCO A

Lecture: The importance of policy for critical and strategic minerals in Brazil.

10:30

PALCO A

11:00

PALCO D

11:00

PALCO B

11:00

PALCO A

12:15

AUDITÓRIO

Lunch Brunch

14:00

PALCO C

PANEL - People in the energy transition of mining: far beyond technology

14:00

PALCO B

PANEL - Partnerships for sustainable territorial development in mining municipalities

14:00

PALCO E

14:00

PALCO D

PANEL - Public policies for implementing the critical and strategic minerals supply chain in Brazil

14:00

PALCO A

PANEL - Operational Safety | People Who Think Ahead: Human Factors and Leadership - Part 1

15:30

AUDITÓRIO

Coffee Break

15:50

PALCO C

PANEL - Geology of the mineral provinces of Brazil - Carajás Province, Juruena-Teles Pires-Aripuanã Gold Province, Vale do Curaçá Province and Rondônia Province

15:50

PALCO E

PANEL: Circular Finance: How to leverage circular businesses in the use of mining waste

15:50

PALCO D

PANEL - III IBRAM and CETEM (Mineral Technology Center) Study: Strategy for the regulation and structuring of value chains for critical and strategic minerals in Brazil - Developing the potential to achieve leadership in energy and food security

15:50

PALCO B

PANEL - Strategic directions of the Brazilian energy matrix

15:50

PALCO A

PANEL - Operational Safety | Technologies That Look Ahead: Data, AI, and Predictive Security - Part 2

27/08/2026

quinta-feira

09:45

PALCO ÚNICO

Lecture - The paths taken by gold

10:00

PALCO ÚNICO

Talk Show - Controls on gold trading in Brazil

11:00

PALCO ÚNICO

Talk Show - Governance of Environmental Licensing in Sensitive Territories

12:15

AUDITÓRIO

Lunch Brunch

14:00

PALCO A

PANEL - Mine closure and future use: integrating the mining lifecycle with international standards

14:00

PALCO D

14:00

PALCO E

PANEL: Transformative trends in the Mineral Industry Production Chain

14:00

PALCO D

PANEL- Multisectoral collaboration to promote decarbonization in the mining sector

14:00

PALCO B

PANEL - Artificial Intelligence applied to Water Resource Management in mining

16:00

PALCO ÚNICO

EXPOSIBRAM Closing Ceremony and Best Booth Awards
